Mathematics

INTERNSHIP

Intern

Afiniti

08/2020 - 09/2020

Tasks

It was a software quality assurance internship.

I was testing out one of their projects and actively reporting bugs.

Highlighted changes that could be made to better the product.

EXTRA-CURRICULARS

A LEVELS TUTOR (07/2020 - Present)

I have been tutoring several A level students since 2020. I have taught Chemistry, Physics and helped in SAT preparations.

LUMS MEDIA ARTS SOCIETY (10/2020 - Present)

Director Promotions. (I handle all the social media handles of the society and devise and implement promotional strategies for the society events)

FILUMS (International Film Festival) (10/2021 - 03/2022)

Director Promotions (I handled all the social media handles, devised and planned all the offline promotions to make the film festival a success.)

FABLAB - (LYCEUM'S STEM PROGRAM) (09/2018 - 03/2020)

Worked on and built multiple STEM projects using arduino and c language.

PERSONAL PROJECTS

Dinder (12/2020 - 12/2020)

Dinder, is a first person virtual dating simulator game created using c++.

In the game, the users are able to converse with the pre-programmed characters and get personalized replies depending upon their responses.

ACHIEVEMENTS

DEAN'S HONOR LIST (2020 - 2021)

Secured a place on Dean's Honor List due to my exceptional academic record.
